S — scripture

T — think

E — engage

P — pray

God has given you everything you need to not only survive but also ***thrive*** in this life. He has provided the Bible as the perfect guide to help you navigate the twists and turns, including the mountaintop moments and the valleys you will encounter. The **S.T.E.P.** framework is designed to assist you in reading the Bible and, in doing so, to help you take ***steps*** forward in growing your faith.

S scripture

Studying scripture is a journey towards a deeper understanding of God, allowing Him to guide your thoughts and path. Whether you have read a verse many times or just once, you will uncover insights that can transform your life. Remember, the focus of studying scripture is not on the quantity of what you read but on how it ***shapes***, ***stretches***, and ***strengthens*** the foundation of your faith.

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work.

2 TIMOTHY 3:16-17

T think

Listen attentively to what God is communicating to you, engaging both your heart and mind. Take your time—pause and reflect to gain a deeper understanding. Minimize distractions to improve your focus while reading. Keep a notebook handy to jot down any thoughts, insights, questions, and reflections that come to you.

GOD, WHAT ARE YOU SAYING TO ME?

What questions are surfacing?

What tension is shifting within you that is getting your attention?

How is God shaping your perspective?

E engage

The Scriptures are not merely words on a page; they are powerful insights that shape our thoughts and inspire us to put our faith into action. It is through these actions that our faith grows and deepens. Seek out opportunities to actively engage with God in what He is doing, and join Him!

GOD, WHAT ARE YOU TELLING ME TO DO?

Don't overlook the smallest ways to ***LOVE FIRST*** and breathe hope into someone's life.

P pray

Prayer is one of the most personally connecting actions that you have to grow in your relationship with God. It's as simple as a conversation. Jesus, fully grasping how life-changing prayer is, spent focused time and energy teaching us how to pray. ***Matthew 6:5-14***
